Order entered: 12/5/2011

**ORDER RE: TRANSFER OF CERTIFICATE OF PUBLIC GOOD**

**Background**

On November 30, 2010, Triland Partners, LP ("Triland") was granted a Certificate of Public Good ("CPG") under 30 V.S.A. § 248 authorizing the installation and operation of a 2.1 MW solar electric generation facility in Williamstown, Vermont.

On November 18, 2011, Triland filed a Motion to Transfer CPG, with supporting testimony and a proposed Order and CPG, requesting that the rights to the proposed project be transferred from Triland to GASNA 14P, LLC. In its motion, Triland stated: (1) GASNA 14P is a limited liability company incorporated in Delaware, and is an affiliated company of Gestamp Solar North America, Inc., the U.S. subsidiary of Gestamp Asetym Solar S.L. ("Gestamp Solar"); (2) Gestamp Solar is an established developer of large-scale solar power plants and has been responsible for the design and construction of many solar projects in North America and Europe; (3) GASNA 14P was established for the purpose of financing, constructing, and operating the proposed project; (4) Triland consents to the transfer of the CPG to GASNA 14P; (5) GASNA 14P has reviewed the November 30 Order and CPG, and agrees to be fully bound by all terms and conditions thereunder; and (6) Triland will continue to be involved with the proposed project by providing development and advisory services, and leasing to GASNA 14P the land on which the proposed facility will be constructed.

In a November 23, 2011, memorandum, the Board requested comment on Triland's November 18 filing. No comments were received on Triland's filing.

Discussion

We conclude that the transfer of the CPG will have no substantive impact on any of the findings regarding the proposed project's compliance with each of the Section 248 criteria. The Board approves the requested transfer of the CPG to GASNA 14P, and an Amended CPG shall be issued.
